

Pharmaceutical Sciences  
Worldwide Research & Development  
Reference Standard Certificate

| STANDARD INFORMATION           |                  |
|--------------------------------|------------------|
| Compound                       | REF_STD_GENERIC  |
| Reference Standard Lot         | 677159P-1G-A-010 |
| Reevaluation / Expiration Date | 25-NOV-2021      |
| Occupational Exposure Band     | OEB 4            |
| Long Term Storage Condition    | (b) (4) °C       |
| Short Term Storage Condition   | N/A              |
| Primary Contact                | (b) (6)          |
| Authorized By                  | (b) (6)          |
| Authorized On                  | 01-Jul-2021      |

| TESTS AND RESULTS |         |
|-------------------|---------|
| <b>Purity</b>     |         |
| Purity            | (b) (4) |

| FOOTNOTES  |                  |
|--|------------------|
| ALC-0159: Storage at (b) (4) C                                     |                  |
| Single use aliquot!  |                  |
| (b) (4) (reference (b) (4) for vialing protocol & (b) (4) vialing) |                  |
| (b) (4)  | 677159P-1G-A-010 |
| Material is hygroscopic  |                  |
